PROGRESS GOES WEEKLY

CAROLYNN COBURN PLAYS PART IN PROMOTING BI-LINGUALISM

Carolynn Coburn (right) and Lyne Tremblay

For the past month Carolynn Coburn has been entertaining Lyne Tremblay, a French girl from Colombier, Quebec. For the month of August Miss Tremblay will show Carolynn the sights in Quebec, and the way of life in that Province.

These girls got together through "Interprovincial Visits", which is a non profit organization, to promote Bi-Lingualism in Canada.

It is a tremendous education for both these girls. Lyne Tremblay couldn't speak a word of English when she arrived in this province, and now after only

one month, could get by on her own, living here. No doubt after Carolynn has been in Quebec for a month, she will be able to do a little 'Parler Vousing' herself.

Colombier, Quebec where Carolynn will be for the next month is two hundred miles from Quebec City. After finishing her stay in Quebec she will attend the University of Toronto. Lyne Tremblay will finish her high school education next year after attending classes in Hauteville Quebec, about forty miles north of her home in Colombier.

Miss Tremblay told the Progress, "I enjoyed my stay in this province and in this town of Minden, very much, and I am looking forward to coming back again some time."

We think Carolynn should be congratulated, for she has been quite a good will ambassador for this province and for this community.

HERE'S ONE FOR THE BOOK

Roger Yearwood, age 10, found one set of upper dentures, on the Bobcaygeon Road. Roger does not know what to do with them, so would the owner please contact Roger, or phone 35, Minden.

FALL FAIR PLANS WELL UNDERWAY

Plans for the Minden Fall Fair to be held on August 28th this year are progressing quite favourably. The directors have given considerable thought for entertainment, and some splendid artists have been engaged.

The children will be happy to hear that Peter the Clown will be on hand to amuse them in his many delightful ways.

"Norma" will be there too, with

an exciting high wire act.

The comedian and acrobatic Williams Brothers will also add amusement and entertainment.

Barrie's famous Kemperfelt Band will provide music, as well as many types of humorous acts.

There will be contests of all kinds; horseshoe pitching, nail driving, step dancing, fiddlers contest, boys and girls foot races, young men's foot races, etc., not to forget the horse drawing contest.

The ladies section of the prize list, has had the prize money raised this year, and there are also some splendid special prizes in these sections too.

(Continued on back page)

MINDEN MAN MAKES FINAL BID TO-DAY

Pictured here is Roy Windover, of Minden, contestant for the Progressive Conservative nomination for Victoria-Haliburton, North Ontario Riding.

Mr. Windover is President of the district Riding Association, an Executive member of the Ontario Progressive Conservative Association and a long time worker for the P.C. Party.

The nomination Convention will take place today in Lindsay, 12.30 p.m. at the L.C.V.I.

The Minden Progress in its third year of publication, has reached the maturing stage and will be published on a weekly basis from now on.

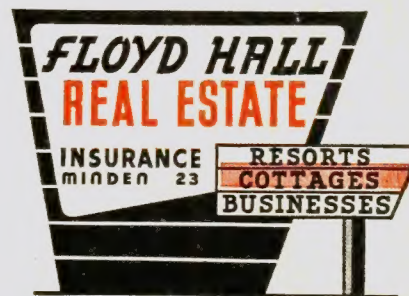

Publishing date has been moved ahead, to benefit readers and advertisers, alike. Distribution of papers both in the form of store sales and mailing will be 9 a.m. Thursday morning.

Deadlines have been set up for both news stories and advertising. These will be excepted up to 5 p.m. Tuesday.

Subscription rates will be raised to two dollars a year, this of course is due to the paper coming out on a weekly basis.

Advertising rates will remain the same: display ads 65c per column inch; National ads 5c per agate line; contract ads, 60c per column inch; classified ads 3c a word, minimum charge 50 cents; engagements 75c; birth notices 75c; death notices 75c; card of thanks 75c; in memoriams 8 line verse \$1.00, over 8 lines \$1.50.

For the story on the Progress going weekly — see page 4.

News and Views

from the Minister's Study

The new children's playground on the north side of the Minden Arena is one of the finest assets added to our community in recent years. The Kinsmen Club of the village deserve appreciation for building this playground for our youngsters and for staffing it with trained supervisors. It is a project that may well serve as an inspiration for other clubs and groups seeking to make Minden a more attractive community.

I should like to remind parents who have children 4 to 12 years

of age of the Vacation Church School being held in Minden United Church next week, August 9th to 13th. The school will run from 9 a.m. to 11.30 a.m. each day and all boys and girls are invited to attend. Parents who have registration forms are asked to return them as early as possible to help plan classes and necessary materials. We are sorry that this summer, in trying to provide a break after the Red Cross Swimming classes, the date conflicted with the play ground

programme. But for this year boys and girls who attend the Vacation School will still have half a day to enjoy the play ground as well as all of the last two weeks. Another year this conflict can be avoided.

The Summer Song Service held each Sunday evening at 7.15 p.m. at the Twelve Mile Lake Church have been very well attended this summer with many families returning week after week. This Sunday, August 8th, the devotions will be held by Mr. Archie Stouffer of Minden who needs no introduction. The following Sunday, August 15th, we will have the Rev. R. N. Giulians of Bramalea, Ontario as our speaker.

I would like to commend to all the C.N.I.B. Blind Craft and Service Display being held on Thursday and Friday, August 12th and 13th in the Carnarvon Christian Education Centre both afternoon and evening. Sponsored by the district Advisory Committee with the co-operation of the national organization, the event will seek to tell the story of the wide range of services being offered by the Canadian National Institute of the Blind. To the committee's knowledge this is the first time that a display of such scope has been undertaken. As well as the preventative programme in our schools, the C.N.I.B. has care of eighteen registered blind persons in Haliburton County. So the work should be of interest to us all.

With half a dozen men making a bid for the nomination as party candidate at the Conservative Convention in Lindsay this Saturday, I have been watching for some one of them to indicate their intention of trying to clean up the situation that has afflicted the party's organization in the Victoria-Haliburton riding. At the time of writing no one has come forward with any suggestions at least in public. I can't help wondering "WHY?"

POLICE GIVE UP DRAGGING FOR MAN IN GULL LAKE

Ontario Provincial Police from Minden and Haliburton detachments have given up dragging operations for the body of Jack Everets of Cayuga, Ontario.

He was reported drowned in Gull Lake just south of Minden, after the boat he was in capsized last week.

Haliburton OPP Constable David Exley, in charge of the investigation, said Mr. Everet and his two sons, age 9 and 14, were

fishing when the boat was swamped by heavy waves and capsized.

Police said the two boys held onto the boat but their father disappeared from sight under the water.

Three young boys in a small sailboat saw the Everets boat immediately after it capsized and they rescued the two Everets children, police said.

The rescuers told police they

could see no signs of the father when the two children were pulled from the water.

Police said they have been conducting dragging operations in 100 feet of water. Skin-divers also joined the search but were unable to find any traces of the body. Police said the water was too deep; they couldn't see at that depth.

YOU MEET THE NICEST PEOPLE ON A HONDA

The smart new way to go places...

No two ways about it... HONDA is decidedly in. Over 2,500,000 happy Honda owners know it covers a lot of ground economically, dependably, conveniently, safely. Why?

Economy... Its well-mannered gas consumption... just sips gas... gives over 250 miles to the gallon or over 8 miles for 1¢.

Dependability... Honda owners know it starts every time and even at 40 mph, she hums politely.

Convenience... Go-anywhere ability. Zip

through the worst of traffic... ramble over country roads... the 4-stroke, 50 cc engine is a model of self-reliance.

Safety... You're boss and your HONDA knows it. Big never-fail brakes... instant power when you need it... perfect control at all times.

And all this for just 299 dollars including turn signals and twin rear view mirrors (Model C-100)

There's a Honda model for you... from 50 to 305 cc. And you get to meet the nicest people!

Model C100 - 50cc
299.00

HONDA.

PROGRESS WILL PUBLISH WEEKLY

The Minden Progress started back in January 1963, by a group of local people who were interested enough in Minden to give the town a paper. They felt that Minden being a progressive town should have a newspaper. This is where the name Progress originated.

It was started on a monthly basis and soon found the advertising and news to turn it into a by-monthly paper.

Since we first became interested in the paper and a print shop here in Minden, the response to a weekly paper has been tremendous. This means that Minden and Haliburton county has matured enough for Minden to publish a weekly paper making two weekly papers in Haliburton County.

A newspaper in a community renders a service for communication and an outlet for information. The number of publications in a month, and the number of pages in a paper is based on advertising and news. We feel the business people and readers of this community warrant a weekly paper.

The co-operation we have received by the people of this town has been a tremendous asset, and have made it possible for us to progress so rapidly. Our shop, not yet completed has been humming with activity — people coming in to make acquaintances, dropping in news, advertising, commercial printing etc. This has given us quite an incentive.

Anyone with a news story that they think would be of interest to our readers, please drop it into the office, our new deadlines for both news and advertising is 5 p.m. Tuesday.

With this new adventure of a weekly paper — we hope our newspaper will be your news paper, and we can contribute, if only a little, to the progress of this community.

OR NEWS ARTICLES — PHONE 119

JANE McKAY WILL REPRESENT HALIBURTON IN PROVINCIAL YOUTH TRAVEL PROGRAMME

Miss Jane McKay, daughter of Mr. and Mrs. Gordon McKay of Minden, was selected by the principal and teachers of Haliburton Highlands Secondary School to represent her school for the Youth Travel Programme, sponsored by the Federal government.

The Centennial Commission of the Federal Government in Co-operation with the Department of Education, have inaugurated a youth travel programme. Four hundred and fifty-six Grade 11 students from Ontario high schools are going to visit other provinces of Canada for one week. The schools participating schools were chosen by lot, and Haliburton Highlands Secondary School

JANE McKAY

was one of the chosen ones. Jane will visit Melfort and Prince Albert Saskatchewan this week. While on her Western junket, she will visit Miss Jock McDonald in Melfort Sask., and will be escorted by Mr. and Mrs. Garruth Ives of Peterborough.

Miss McKay was chosen from her grade 11 class because of her high scholastic standing and her outstanding citizenship in the school. Jane has been an honour student for the three years that she has been in high school, and has held important posts in the Students' Council for the past three years. She was selected Vice-President of the schools Student Council for the coming year.

Local people here can be proud for Miss McKay will not only represent her school well, but also this community.

The Chamber of Commerce presented Jane before she left with two ties and two perches made from the Highlands of Haliburton Tartan plaid.

SPORTS

WITH BOB BEENEY

Do you feel in top shape? Well I did too until I saw John Row come stepping into the Minden Fair grounds last week. Mr. Row is from Toronto and spends his spare time walking which to me seems rather a strenuous way to spend leisure time. He dropped into the Minden Progress office on the Tuesday before the Minden Rotary Club's annual parade and carnival asking if a "walker" was wanted in the parade. Al Greir who talked with him for a few moments contacted Fraser Johnson publicity chairman for the carnival and arrangements were made for a jaunt from Dorset to Minden. Considering that Mr. Row is holidaying, the thirty some odd miles is quite a feat although he has walked distances such as from Montreal to Toronto and from Toronto to New York to attend the World's Fair. He started from Dorset around 10:30 on the day of the parade and arrived on the Minden bypass at 615 that evening in time for the parade. At one time walking was a favourite pastime or rather sport for many athletes and quite an interest was taken by the general public. For a brief time this sport was creating some interest in Minden.

The children's playground sponsored by the Minden Recreation Committee starts Monday and runs for two weeks at the Kinsmen Playground next to the Minden Community Centre. Children must be of six years of age to attend. Registration starts at ten thirty in the morning and continues through the early portion of the afternoon. A form will be sent home with all children to be filled out and signed by the parents

and then returned to be kept on file by the Recreation Committee. The program will be supervised by Barbara Barnes and Brian Jones who spent a week taking a training course after being hand picked by the Recreation Committee.

The water safety classes and swimming lessons sponsored by the Red Cross are over for this year and according to information that I have received the Red Cross has discontinued the classes and will not sponsor them next year. This is indeed unfortunate but I believe that the Recreation Committee will take steps to remedy the situation. Good results were prevalent in all classes especially in the beginner class with approximately 75 per cent of the beginners passing. They received water safety pins and cards for their efforts. While I'm mentioning the swimming classes I will pass on some information that I received in the mail this morning. An excellent small booklet entitled Safety Afloat is available free from the Department of Transport in Ottawa on request and it covers the safe handling of all types of crafts and the rules and regulations of Canada's waterways.

Congratulations are in order for Robin Campbell and Mickey Houston who won the Stinson Trophy in an annual race held on the Gull River at Minden. The two boys are from Camp Kandalore. Alden McEachern and Rod MacDonald placed second with Bruce Ballantine and Jud Ellis coming third.

In the picture above are the boys and girls that were in the beginners Red Cross swimming class. Top row L to R: Tom Elder, Kenny Stouffer, Dickie Stouffer, reg Vasey, Junior Beeney, Curtis Rogers, Chris Myles, Carl Northey, Mike Elder. ROTARY CARNIVAL SMASHING SUCCESS

The Rotary Carnival held last week here, was a smashing success, with four thousand some odd people lining the main street of Minden to watch one of the best parades this town has ever witnessed.

The parade was a mile long in length, with some good looking floats, marchers, and girls on display.

A late added attraction to the carnival this year was marathons. Walker John Row, from Toronto, John started out at Dorset and walked to Minden, some thirty-five miles in eight hours. Mr. Row told the Progress after the walk, "I can walk it in seven hours, maybe next year the Rotary committee will put up some prize money and have some competition." This would be an excellent idea, and something for the committee to think over. Mr. Row's walk was not witnessed by many, and not many people even knew there was a walker in the carnival. This was due to his late arrival in town and his decision to make this hike, just the day before the carnival got under way.

Camp Allsaw took first prize for the best float, second was won by Hart Lodge, with Carveron Lumber taking third prize. The best tandem bike prize was won by Kirk McElwee and Bruce Rockery. Julie Trumble took home first prize for her doll carriage. The best marching group was won by Northern Lights camp.

The events held inside the arena went over with great interest, the crowds gathered in big numbers and applauded with appreciation for the good performances. The best we witnessed was the women's nail driving contest, this event was won by Marie Sadler, with Helen Coult hammering her way into second position. The twist contest was judged by Grace Cowan, Lenore Prentice, Jean Hudley, these ladies had their problems, for these kids were away out there — dad, they were all pretty good, the

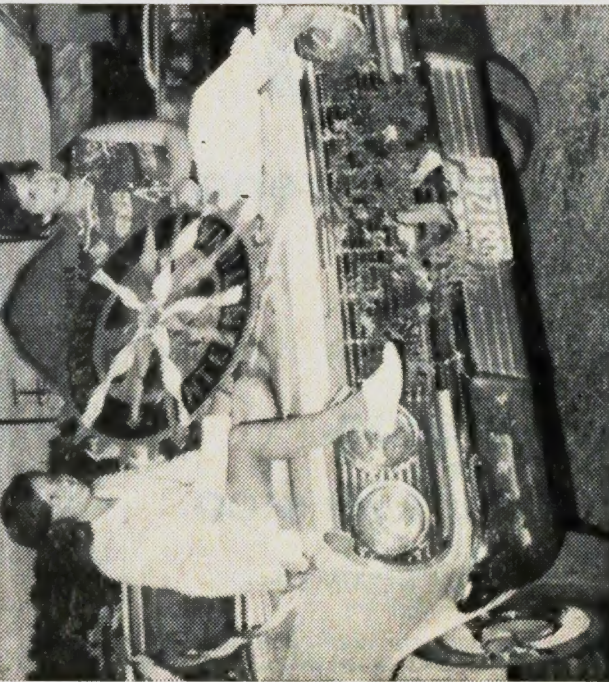

log saw, was no contest when Royce Cowen and Alvin Misco got on each end of the saw. These boys took it walking away, when they made their cut in a mere thirty-two seconds.

The canoe race held Wednesday was won by Camp Kandall, ore with Robin Campbell and Micky Houston, receiving the Stinson Trophy and ten dollars first prize money. In second position was the same Camp Kandall, ore, with Alden McEachern and Rod MacDonald doing the paddling. Camp Calumet placed 3rd., the canoeist doing the work were Bruce Ballentine and Jud Ellis.

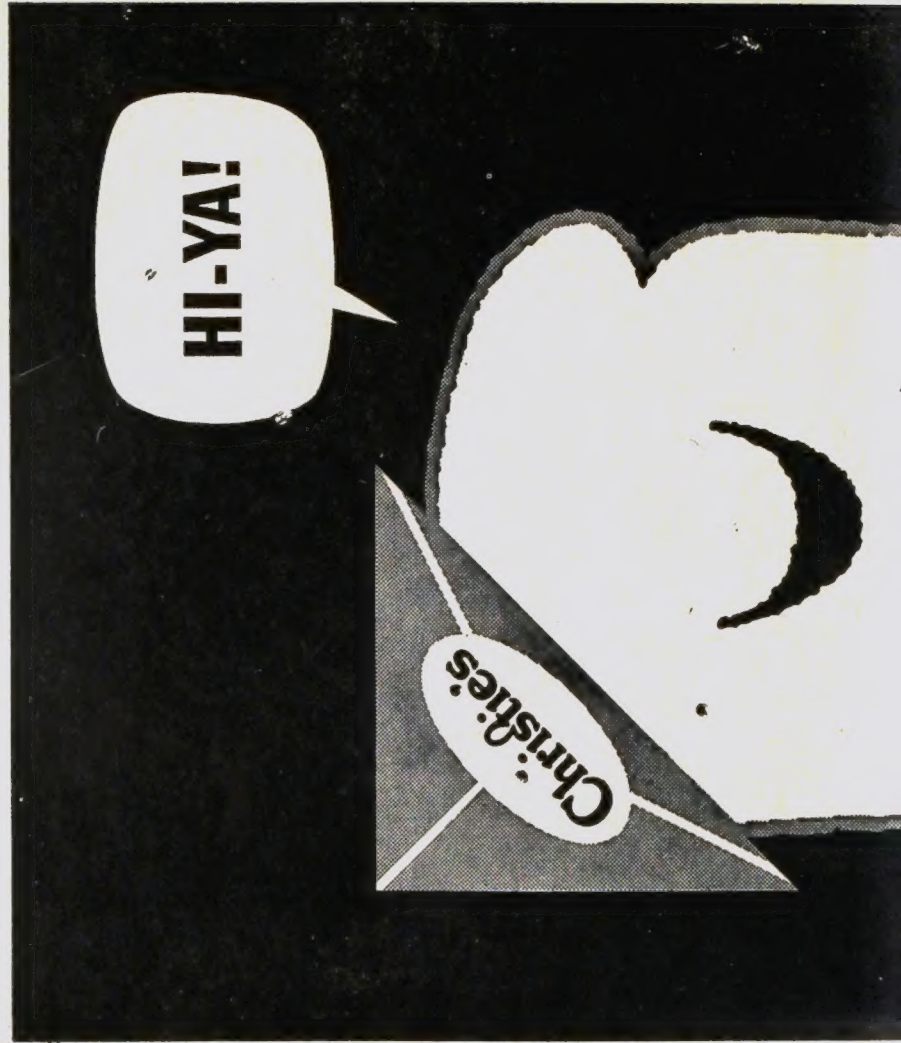

The draw for the boat and motor got under way at ten-thirty Thursday with Mrs. Lloyd Coneybear of Haliburton making the draw. The winner was Mr. H. W. Green of Toronto.

COTTAGERS ASK FOR ROAD TAKE OVER

At a council meeting held at the Lutterworth Municipal Building on Wednesday night members from the South Davis Lake Cottagers Association met with Lutterworth Council to discuss the changing of a road that leads to a group of twenty eight cottages. Association president Cliff Lawrence told councilor Bob Beene who acted as chairman in the absence of Reeve John Harrison who was sick that a stretch of nearly three miles of road is maintained by the cottagers and asked if it is possible that the township could take the road over. It was explained by the council that the road could not be taken over by council unless it came up to the specifications of the Department and had their approval. Mr. Lawrence also asked if the course of the road could be changed in order to eliminate numerous bad curves. Road superintendent Floyd Miller was requested by council to visit the road with Department of Highways Engineer Bob Sims of Huntsville next week. The members also asked council if it was possible for the township to provide a dump in the vicinity of the South Davis Lake Road for garbage disposal. Council agreed to look into the matter immediately and would take necessary steps to provide this area with this convenience.

MINERS BAY COTTAGERS HOLD ANNUAL MEETING

The Miners Bay-Gull Lake Cottagers association annual meeting was held July 24th at the summer home of the president Mr. A. C. Lloyd. The family picnic and regular meeting was well attended in spite of the fact that it was held several weeks earlier than usual.

Reports were received covering water conditions, fish and other relevant matters.

Concern was expressed over the heavy toll of fish taken through the ice by more or less transient ice fishermen, which seems to be having an adverse effect on summer fishing. The poor catches reported so far this year is causing considerable concern to resort operators and others who depend on tenants who like to catch at least a few fish to add interest to their vacation.

The mounting tax rate came up for criticism again this year and the expense to be shouldered on the present taxpayers by the proposed construction of a new bridge to provide access to a private development at Moore Lake was mentioned.

Mr. Tom Douglas succeeded Mr. Lloyd as president. Mr. Wm. Norman was elected Vice-Pres.

The important duty of keeping close check on water conditions in Gull Lake with special emphasis on purity was given to Mr. Fred Iley.

PROOF BURNED TO PROVE MINDEN FAIR 100 YEARS OLD

The Minden Mall Fair is now the only fair held in Haliburton County.

It was hoped that last year would be the 100th Anniversary, as it had been thought, down through the years that the first fair was held in 1864.

The records were destroyed in the fire which swept the north side of the main street in the early 1940's.

When the Directors began to plan for Centennial Celebrations, last year it was found out that the earliest records, recorded in the Dept. of Agriculture, in the Parliament Buildings in Toronto, were dated 1872. Naturally this was a great disappointment for all concerned. Since Fall Fairs, don't "just happen" but are regulated and directed by a constitution, and By-laws as set forth by the Dept. of Agriculture, and from which grants are derived, then the local Fair Board must act accordingly.

Mr. Lashley, director of Agr. Societies for Ontario, did say that if proof could be obtained, to show that the Minden Fair was organized in 1864, then the Centennial could be carried out. However, after searching in libraries, and contacting several individuals of great historical knowledge, and delving into old newspapers etc., and every possible means, including contact with Hin. Leslie M. Frost, regarding this, it was found impossible to find anything that could give the necessary proof.

Of course it is possible that fairs were held then, and records were not so necessary, and were just not sent in to Toronto. So our fair continues, in spite of its true age. Many fine comments and compliments are received from time to time. There are many, many bigger and better fairs and there are smaller ones, we realize. Ours is just a country fair, where friends meet friends and new acquaintances are made. A day set apart, just a little different, but one where we see the work of rural people on display.

One can hope for a red ribbon, but if a blue or white is our lot, it has been a time of planning, a time of hope and excitement and certainly one of interest.

There is at the Fair, "The old Critic", there's one in every crowd. He's the one who knows, what should and shouldn't be done, the reason for this and that and what he'd do? But he never will, 'cause he keeps his distant just in case he may be asked to lend a hand.

So folks, its Fair time again, and let's do what "good" we can to make our Fair, one of which we can be justly proud, despite it's age.

Hydro Line Cut — Fire results

Driver And Children Lucky

A Minden man Herb Alton and three young children narrowly escaped serious injury on Saturday afternoon at about 4 p.m. when the load of fill on the back of a dump truck Mr. Alton was driving struck and broke a 7,200 volt power line. The live wire sent sparks crackling over the truck and set nearby grass on fire. The occupants of the truck cab were able to scramble to safety as the live wire fell away from the vehicle. The dump truck had been in the process of placing fill in the low ground to the south of the Progress office. Minden fire department were quickly on the scene, and put the blaze out.

**Weather For July
Minden Area**

with Phil Graham

July was a very cool month with an average of 10.6 degrees lower than July 1964. Average high, 68.4; Average low, 44.9; Average for month, 56.6; Highest temperature 82 degrees, July 24; Lowest temperature, 33 July 6; No. of days with thunder storms 3; No. of days with frost 3.

**\$1,000 DAMAGE IN HALL'S
LAKE TWO CAR COLLISION**

Total damage of \$1,000 resulted just afternoon last Saturday when cars driven by Charles Sibbitt, 51, of North Bay and Raymond Banner, 44 of Milton, collided on Highway 35 north of Hall's Lake near Dorset.

Two people were injured in the crash, said Minden OPP.

A passenger in the Banner car, 8-year-old Valerie Banner suffered a slight concussion and nosebleed. The driver of the other vehicle, Charles Sibbitt, required stitches in his lower lip, police said.

A vehicle driven by William Todd, 22, of Minden sustained \$100 damage after it went into a ditch on the South Lake Road about 9.30 p.m. Sunday.

Minden OPP said the Todd vehicle pulled over to let another car pass and it rolled into the ditch.

No injuries resulted, and no charges were laid said police.

C. N. I. B. DISPLAY AT CARNARVON

A display of Blindcraft and of the service that the Canadian National Institute for the Blind provides for the blind of our community and other communities is being arranged in the Religious Education Centre of the Carnarvon United Church on Thursday and Friday, August 12 and 13 in the afternoon and evening. Everyone welcome, admission free — collection.

The display is under the direction of the Haliburton County Advisory Committee of the C.N.I.B. together with Mr. C. G. Hilborn, Peterborough, the field secretary of that organization. It will include samples of leather-craft and actual basket weaving by a blind boy. A blind woman will read and write Braille. There will be a demonstration of "Our Canada Eye Bank."

Articles made by blind persons will be on sale and one of our blind boys will demonstrate the tape talking-book machine provided for the use of our blind people. There will be movies and slides of the camp for the blind at Lake Joseph and of other blind activities. Tea and coffee will be served. Let the eleven blind people in our midst know that they have your support.

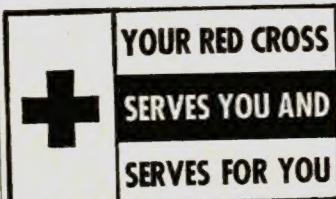

SPECIAL PRIZE LIST FOR MINDEN FALL FAIR

A printed list will be available very shortly for those interested in "Special Prizes" at the Minden Fall Fair, August 28, 1965. Special prizes will be awarded to special exhibits, in the following classes, horses, cattle, sheep, swine, poultry, roots and vegetables, fruit, domestic science, flowers and arts and crafts.

In the ladies work there will be the following: the Haliburton Highlands, Chamber of Commerce will give 10 dollars first prize, 5 dollars second prize and 2 dollars third prize for the best article made from Highlands of Haliburton Tartan.

The Minden furniture store will give 15 dollars worth of material, to the exhibitor, making the best two pieced wool ladies suit.

Other items on the list are: best child's smocked dress; best article made from terry cloth using not more than one yard of material; doll dressed in bridal attire; doily or centre piece with ruffled edge crocheted; textile painting (painted or fabric); a novel and inexpensive idea for a gift.

Our speaker will be Mr. P. G. Gillis, Director, Assessment Branch, Ontario Department of Municipal Affairs.

VISITORS WELCOME

LUNCHEON AND HOSPITALITY HOUR

Haliburton Art Exhibition Attracts Many Visitors

Shown above is Mrs. Ross Harrison, pointing out some of the features in her paintings to a group of very interested art enthusiasts.

The annual exhibition of Arts and Handicrafts sponsored by the Highlands of Haliburton Art Group, was held last week, and was a big success. Over a thousand visitors took in the two day event, at the Carnarvon United Church Christian Education Building.

Mr. C. D. Ferguson, chairman of the Art Group was well pleased with the turn out and was very happy with the display of paintings and handicrafts on display.

The artists and craftsmen taking part in the exhibition, are people that have lived in the Highlands of Haliburton, either as summer or permanent residents for two or more years.

The purpose of the committee is to promote an interest in and appreciation, of the arts and crafts in the Highlands of Haliburton. The art group is a non-profit organization, and all money raised is spent for the promotion of arts and crafts in the county.

A special feature this year, was the introduction of a contest for children. Fifty dollars was given away to the best line drawings by children from the schools in Haliburton.

Throughout the year the art group has many projects, one of which is week end painting sessions with instruction. They are making some big plans for an art pageant depicting Haliburton's 100 years in Confederation.

Some of the more predominate artists with paintings on display were: Jochin Gauthier from Toronto, who makes Haliburton his home in the summer; Bruce Mills also of Toronto, Carol Hanke from Eagle Lake; Mrs. Ross Harrison of Carnarvon; Mrs. Coneybear of Haliburton, and Charles H. Blair, Buttermilk Falls. All told there were thirty-two artists, representing 137 paintings, along with a fine display of handicrafts.

Accident Takes Life Well known Resort Operator

A well known resort operator Gordon McManus, operator of Carabou Lodge, was killed in an accident on Highway 121, Wednesday.

The accident happened at 5:45 p.m., while Mr. McManus was travelling towards Minden, south bound. The cause of the accident was not known at publication time. Mr. McManus was thrown 30 feet from his car, which ended up in the bush.

Investigating officer was Dean Elliot, ambulance was called by Junior Alton, ambulance attendants were Len Lonsberry and Jim Elder from Minden.

Speculation at press time was that death was caused from a brain hemorrhage. Mr. McManus was 57 years of age.

C. D. Ferguson, chairman of the Art Group, describes the story of Haliburton, in the picture, of oils, to very keen on-lookers.

Shown here is Mr. and Mrs. C. W. Hone with their wood sculptures of Ancient civilizations, these were on display in Carnarvon at the Highlands of Haliburton Art show. The sculptures ranged from Inca, Egyptian, Hebrew and East Island. These carvings were carved from originals, and dated back as far as 1500 BC.

PLANS ARE WELL UNDERWAY

FOR MINDEN'S FALL FAIR
(Continued from page 1)

At present, many splendid donations are being received by business and individuals, for special events and awards.

Many concession spaces have already been reserved. It is expected that there will be a big entry in the Church organization's display this year, "Aprons on Parade".

The directors are planning for more decorations to brighten up the grounds.

The prize lists are now available and may be obtained from the secretary.

The special prize lists will soon be available too.

Membership is \$1.00, so join and take part in the competition.

There will be a square dance competition for boys and girls 14 years and under, with splendid prizes. Those desiring to enter must contact the secretary by August 10th.

For prize lists or general information, write to secretary of the Minden Agricultural Society, Mrs. Garnet Lytle, Box 28, Minden, Ontario, or phone 37 in the evenings after 6 p.m.
